Letter no A6 CS 77/41-42 d 3-11-41 from the Deputy Commissioner Tumkur DSI requesting in the circumstances stated Sanction to the proposal of the Tumkur Town Municipal Council to grant free of cost Site no 18 in the Fair extension at the place to the Thigalar Community for installing their idol for worship

1) The Site reserved is reported to have been given away to the members of the Maratha Community for the construction of a Shivaji Mandir. The present proposal is to resume Site no 18 granted to the Marathas and then give it to the Thigalars

2) Law Section may be consulted as to whether it would be in order to resume the Site or to proceedings should be taken under the Land Acquisition Act.

Subject:- Grant of site to Thigalar's community, Tumkur, free of cost

==

Sir,

In forwarding herewith in original the entire file of records received from the President, Town Municipal Council, - Tumkur, on the above subject, I have the honour to state as follows -

The President, states that a peepal tree held sacred by the Hindus in general and Thigalars in particular together with an idol on a slab stands on one of the main roads in the Jail extension, Tumkur The tree is said to spread very nearly to the centre of the road, though the idol comes to a side of it and the removal of the tree attempted in the past was met with opposition from the Thigalars

The leading members of the community were sent for and on spot insoection, they have agreed to the removal of the tree on certain conditions The matter is said to have been placed before the council meeting held on 14-5-1941 and it was resolved that site No 18 in Jail extension situated in front of the idol, measuring 100'X70' now sold to the Maratas for Shivaji Mandir be resumed to the Municipality after their consent, as it is said to be unsuitable for them and to give them in exchange another site of the same dimensions near the new Mandi Extension and the site thus resumed be given to the Thigalars, free of cost requiring them to build the plat-form for the idol and for the removal of the peepal tree

As resolved by the Council, the site has been resumed from the Maratas and handed over to Mr Lakshmaiya on behalf of the Thigalar community and arrangements have to be made for the removal of the tree in question The Maratas have also been given a site, equal to the extent resumed, near the New Mandi Extension measuring 100 X 70 ' and valued at Rs 150/- is proposed to be given free of cost to the Thigalar community

In these circumstances, I request that sanction of Government may be kindly obtained to the resolution of the council for the grant of a site free of cost to the Thigalar community under section 38(2) of the Town Municipalities Act of 1933 and approval of the action taken by the Municipality in having given the Maratas, in exchange a site of the same area situated near the new Mandi Extension

I have the honour to be,
Sir,
Your most obedient servant,

Deputy commissioner,
Tumkur District
